MEMORANDUM FOR: Director of Communications

STAT	FROM	:	Assistant General Counsel	
	SUBJECT	:	Revised Title IV, Proposed CIA Charter	
	REFERENCE	:	OCM 79-055, Dated 29 Jan 1979, Same Subject	
	revised Title regarding cur procure and ma	IV. rent anag gest	r your helpful comments concerning the In order to take account of your concern threats to the Agency's authority to e communications equipment and services, I to the SSCI staff that Section 421(8) be	
	(8) exercise exclusive control over the acquisi- tion, establishment, maintenance, and operation of communications systems in support of [etc]			
	There is no guarantee, of course, that this suggestion will be accepted and, if it is, there will be great consternation at NSA to the effect that CIA is attempting to subvert NSA's communications security authorities. If that concern develops, we may consider agreeing to the addition of words to the effect of "consistent with communications security policies and procedures established by NSA."
